

The background is a solid dark blue with several large, semi-transparent circles of varying shades of blue. The circles are positioned in the top left, top right, and bottom right corners, creating a modern, abstract design. The text 'BLUE BOY' is centered in a white, serif font, with a small copyright symbol to the upper right of the word 'BOY'. Below the main text is the website address 'WWW.BLUEBOYGROUP.IN' in a smaller, white, sans-serif font.

BOLTLESS RACK

A Boltless Slotted Angle Rack is a modular shelving system designed for quick, tool-free assembly. Instead of bolts or fasteners, this innovative system uses a snap-fit or interlocking mechanism, allowing you to build and adjust shelving units without any hassle. Ideal for warehouses, offices, retail stores, and homes, boltless racks offer flexible, long-lasting storage for everything from tools and parts to boxes and documents.

Key Features of Our Boltless Racks

- **High Durability**
Heavy-duty metal, built for tough use.
- **Tool-Free Assembly**
No bolts, no tools—quick setup.
- **Adjustable Shelves**
Customize height easily, anytime.
- **Space-Saving**
Maximize space, no permanent fix.
- **Better Organization**
Add bins, dividers, labels—stay sorted.

SLOTTED ANGLE

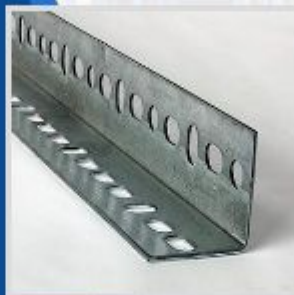

Are you searching for a versatile and cost-effective storage solution? Look no further than Blue Boy Industries Pvt. Ltd., a trusted name among the leading Slotted Angle Manufacturers, Suppliers, and Exporters in India and the global market. Our high-quality Slotted Angle Racks are engineered to meet diverse storage needs with precision, flexibility, and reliability.

We specialize in delivering customizable slotted angles that are ideal for creating adjustable racks, shelving units, workbenches, and storage systems across various sectors. Whether for residential, commercial, or industrial use, our slotted angles ensure unmatched strength, adaptability, and ease of installation.

Key Features of Our Boltless Racks

- **High Durability**
Heavy-duty metal, built for tough use.
- **Corrosion Resistant Finish**
Powder-coated or galvanized to resist rust and wear.
- **Versatile Applications**
Ideal for warehouses, offices, shops, and residential use.

SLOTTED ANGLE RACK

Slotted Angle Racks are versatile, durable storage systems made from high-quality steel. With adjustable shelves and easy bolt-and-nut assembly, they offer flexible solutions for warehouses, offices, and homes. Corrosion-resistant and space-efficient, these racks are ideal for organizing light to medium loads in a cost-effective and customizable way.

Key Features of Our Boltless Racks

- **High Durability**
Made with premium metal to handle heavy loads and tough use.
- **Tool-Free Assembly**
No bolts, no tools—quick setup.
- **Adjustable Shelves**
Change shelf heights easily with a slotted system.
- **Space-Saving**
Maximize space, no permanent fix.
- **Better Organization**
Add bins, dividers, labels—stay sorted.

LIGHT / MEDIUM / HEAVY DUTY RACK

This Rack is useful for small & large parts and spares stored on shelves. This type of racking system / racks is easy to adapt, with cross members quickly unbolted or unclipped and shelves can be adjusted to any level.

The Racks is an innovative design for All Type of application, from a single bay of racking to a high bay racking installation.

TWO TIER RACK SYSTEM

Two Tier Racking offers high-density vertical storage, ideal for maximizing space in warehouses. Blue Boy Group, a leading manufacturer in Ahmedabad, designs durable two and multi-tier racks using premium materials. Built to international standards, these racks ensure long life, high load capacity, and efficient space utilization in compact areas.

Key Features of Our Boltless Racks

- **Space Maximization**
Doubles storage by using vertical space efficiently.
- **Durable Build**
Made from high-grade, long-lasting materials.
- **Corrosion Resistant**
Powder-coated finish protects against rust and wear.
- **Easy Access**
Quick, safe access on both tiers.
- **Custom & Flexible**
Customizable, expandable, and relocatable design.

SUPERMARKET RACK

Maximize your retail space and improve product visibility with high-quality Supermarket Racks from Blue Boy Industries Pvt. Ltd., your trusted manufacturer and supplier of modern retail shelving solutions. Our racks are designed to meet the dynamic needs of grocery stores, supermarkets, departmental stores, and retail chains across India and overseas.

Key Features of Our Boltless Racks

- **Customizable Designs**

We offer a wide range of display rack options including Supermarket Gondola Racks, Corner Racks, and Grocery Display Racks, tailored to fit your store's floor plan and display needs.

- **Modular & Flexible Setup**

All our display units are modular, allowing you to reconfigure or expand shelving layouts as your product range grows.

- **Aesthetic Appeal**

Smart and sleek in design, our Display Wall systems and Supermarket Display Racks enhance store aesthetics while keeping merchandise organized and accessible.

- **High Load Capacity**

Engineered to hold heavy products, our supermarket racks can support everything from canned goods and beverages to large packs of groceries.

MEZZANINE FLOOR SYSTEM

Blue Boy Industries Pvt. Ltd. is a trusted manufacturer of durable and customizable mezzanine floors in Ahmedabad. Our space-saving solutions are crafted from premium mild steel, helping businesses maximize vertical space efficiently. Ideal for warehouses and factories, we deliver high-quality, cost-effective mezzanine systems across India and international markets.

Why Choose Our Mezzanine Floors?

- **Space Optimization**
Create extra floor space without expanding your building.
- **Customizable Design**
Tailored to your size, height, and load needs.
- **Quick Installation**
Fast setup with minimal downtime.
- **Global Quality**
Meets international safety and durability standards.
- **Cost-Effective**
Save money by avoiding costly renovations.

MS PALLETS

We offer top-quality MS Pallets, designed for the safe and efficient handling of goods. A reliable alternative to wooden pallets, they offer enhanced durability, safety, and eco-friendliness. Available in various colors and designs, our pallets suit multiple industries—from agriculture and pharmaceuticals to automotive and hospital supplies. We manufacture and supply a wide range of heavy-duty plastic and steel pallets, with our steel variants being anti-corrosive and resistant to chemical contamination, ensuring long-lasting performance and secure storage for all types of materials.
